

Commuter Programs At Contra Costa Centre

Contra Costa Centre provides a broad range of programs for employees including financial assistance for child care, an on-site Sheriff's deputy and commute alternatives including:

Carpool Commute Program*
BART and Bus subsidy programs*
Bike-To-Work Program*

Free Mid-Day Shuttle service to
local retail centers
Green Fleet Program

Guaranteed Ride Home
Transit Pass Sales, Schedules,
Maps

CARPOOL COMMUTE PROGRAM

The Centre Association periodically offers cash incentives to encourage employees to choose carpooling as their commute alternative. Accounting for the fastest growing group of commuters at the Transit Village, carpools are able to utilize HOV diamond lanes and pass through toll lanes over bridges at a reduced rate in many circumstances.

BART AND BUS SUBSIDY PROGRAM

Throughout the year, the Centre Association sponsors cash incentive and subsidy programs to encourage the use of BART and bus transit ridership as alternative commute choices. Employees have access to Centre-dedicated electronic bicycle lockers at the Pleasant Hill/Contra Costa Centre BART station.

MID-DAY SHUTTLE SERVICE

A free Mid-Day Shuttle service operates weekdays from 10:30 a.m. to 2:30 p.m. from each Centre building location to the Countrywood Shopping Center and Crossroads Shopping Center. This offers employees a variety of locations to enjoy lunch, visit the bank or ATM machines, and do a little shopping at a variety of shops, restaurants and retail businesses.

BIKE (or WALK)-TO-WORK PROGRAM

The adjacent Iron Horse Trail makes a good commute alternative for those living nearby. The Centre provides an incentive for commuters choosing this option.

GREEN FLEET PROGRAM

The Green Fleet Program creates greater workplaces accessibility for employees throughout the Transit Village with its fleet of car sharing vehicles, including Hybrids, Electric Cars, electric bicycles and bikes. Five fully automated stand-alone docking stations are installed at easily accessible building locations throughout the Centre for use by any employee. Twenty-eight ChargePoint electric vehicle charging ports are also available for employee use.

GUARANTEED RIDE HOME

The Guaranteed Ride Home program provides a taxi voucher in the event that you miss your "commute alternative" ride home because of an unplanned emergency, illness or unscheduled overtime. The taxi voucher can be used up to six times per year (total fares cannot exceed \$599 for the year).

* Subsidy and Incentive Programs available from September thru May
